

**Lavender  
International**

## 2018 UK Course dates

Lavender International offers more than 300 Non-Destructive Testing training courses each year across our UK and USA offices. We are also able to offer on-site training courses tailored to your needs. Flexibility is something we pride ourselves on, so if there is a course that you would like to do that isn't on our list, please get in touch with our team, we will be more than happy to help!
