Local Information & Events

Penistone is a traditional market town on the east side of the Peak District. Every Thursday is market day in the centre of Penistone, where local businesses sell fresh unique products and fresh produce. It is a friendly and vibrant atmosphere not to be missed.

We are 7 miles West of the local town of Barnsley and 12 miles North of the city of Sheffield. There are trains every hour from Penistone Station to Sheffield, stopping at Barnsley on the way. The local village of Stocksbridge, which is approximately 5 miles away, has recently developed a new town centre shopping destination called Fox Valley, which has a range of shops, restaurants and coffee shops.
